Water Rescue Team

Debris Removal Team

**still need to coordinate resources with Minnesota*

A wide-angle photograph of a rural landscape. In the foreground, a dirt road curves from the bottom left towards the center. To the right of the road is a lush green field. To the left is a large, flat, brown field, possibly a cornfield. In the background, a line of trees stretches across the horizon under a sky filled with soft, white and grey clouds. The overall scene is peaceful and open.
