# Resource Allocation Workshop (RAW) II Kentucky Brief Out

*November 4-5, 2013  
N. Little Rock, Arkansas*

# Participants

- Kentucky Emergency Management
- Kentucky National Guard
- Virginia Emergency Management
- National Guard Bureau
- CUSEC
- American Red Cross

# Topics of Discussion

- Types of resources needed
- Shared WebEOC Boards
- Memoranda of Agreement
- Previous commitments that are no longer in place
- National Guard Mission Packaging versus Mission Ready Packaging (Mission Capabilities by unit)

# Issues Resolved

- Shared information regarding Board structure of each state's WebEOC platforms

# Issues Pending Resolution

- Approvals of support
- Development of MOAs
- Development of WebEOC Boards that can be fused

# Additional Clarification/Information

- Awaiting authorization by support states for level(s) of participation
- Awaiting a final determination regarding how the Guard will define mission capabilities

# Status of Resource Needs

- No final decisions were made pending resolution of MOA issues

# Additional Comments

- None

A wide-angle photograph of a rural landscape. In the foreground, a dirt road curves from the bottom left towards the middle right. To the right of the road is a lush green field, and to the left is a brown, tilled field. In the background, a line of trees stretches across the horizon under a sky with scattered white and grey clouds.
