# Topics of Discussion

- OVERVIEW - Levels of Private Sector Exercise Participation:
  - ✓ Information Sharing/Common Operating Picture  
Sending and receiving of SA and participation with a v-BEOC
  - ✓ Resource Management and Integration with the Mutual Aid Support System (MASS)  
Input of company specific, geo-coded assets and capabilities into the database
  - ✓ Full Exercise with Company-Specific Play  
An internal company exercise run parallel to Capstone with self-developed, scenario-driven injects (representative in a regional “white cell”)

# Topics of Discussion cont'd

- Information sharing:
  - ✓ Understanding expectations of a COP (from both a state and regional perspective for private sector information sharing)
  - ✓ Information flow between the public and private sector - ways to accomplish the sharing during events and during steady-state
  - ✓ Clarifying use of WEB EOC boards and the v-BEOC application during the exercise
  - ✓ “Feeding” into the Arc GIS system – considerations for what can be shared

# Topics of Discussion cont'd

- Mission Ready Packages:
  - The government definition for MRPs and applicability to the “capabilities and assets” of the private sector
  - Demo MASS System
  - Private sector defining MRP baseline assets/capabilities meeting their requirements

# Topics of Discussion cont'd

- Full Exercise Private Sector Play:
  - Self-developed, scenario-driven company injects for an internal exercise operating parallel to Capstone 14
  - Commitment of a person to the regional Master Control Cell (Springfield, IL) driving company play
  - Assistance with developing injects

# Additional Clarification/Information

- Private Sector integration into Capstone 14 moving forward:
  - Conference calls to discuss issues evolving from exercise planning
  - Demo of v-BEOC application and capabilities
  - Private Sector Workshop – March 6-7, 2014
    - Location TBD, Illinois

# Additional Comments

- Looking Ahead
  - Strategies for moving forward after the Capstone 14 exercise
  - Keeping the collaborative efforts and momentum flowing!

A rural landscape featuring a dirt road that curves through a green field in the foreground and a brown field in the background. The sky is overcast with grey clouds. The word "Questions?" is centered in the image in a large, bold, black font.
