

Central United States Earthquake Consortium
STATE TRANSPORTATION TASK FORCE

ANNUAL REPORT

Report Number Six FY 2006
July 2005 through June 2006.....1 Page

Prepared in accordance with Article 5
CUSEC State Transportation Task Force
Memorandum of Understanding
By
Jerry E. Thompson, P.E., Chairman

ANNUAL REPORT #6
FY 2006
July 1, 2005 – June 30, 2006

February 20, 2006

Chairman Thompson attended the CUSEC Board of Director's meeting held in Memphis, TN. Mr. Thompson made a Power Point presentation regarding the State Transportation Task Force to the attending board members and invited guests, which included several FEMA representatives from Washington D.C.

February 21–22, 2006

Mr. Thompson participated in the SONS '07 Initial Planning Meeting following the CUSEC board meeting in Memphis, TN. The SONS '07 exercise is being sponsored in part by CUSEC.

April 25, 2006

A follow-up planning meeting was held in Evansville, IN regarding the SONS '07 and included representatives from several of the Central United States slated to take part in the exercise in 2007. Each state is in the process of becoming better prepared by planning exercises in their respective states along with collaborating with several of their adjacent states.

This report appears much briefer than previous years due to several factors;

- Severe restrictions on out-of-state travel limited the ability for Task Force Members to travel and meet.
- Chairman Thompson was preoccupied with reorganization activities within the Indiana Department of Transportation during this time period.
- Expectations are improved for the coming year.

End Report#6, FY 2006
